Formatted for Kindle. Three complete works collected in one edition: A Book of Operas, A Second Book of Operas, & Chapters of Opera. HENRY EDWARD KREHBIEL [1854-1923] was an authoritative musicologist and critic. From 1874 through 1880, he was musical critic at the Cincinnati Gazette. He then became musical editor at the New York Tribune. He also wrote about music for the Tribune, Scribner's Monthly, and others. His writing introduced several composers not-yet-known to Americans, such as Richard Wagner, Johannes Brahms, and Pyotr Tchaikovsky. He annotated concert programs, translated opera libretti, and published one-dozen books on music, musicians, and musical instruments.
