

## Cello: Instrumental Solo (Team Strings)

Team Strings is firmly established as a leading series of string tutors. It presents a flexible course which can be tailored to suit each student, ideal for individual, group and class tuition - including the ABRSM music medals. The books in the series contain plenty of carefully graded music in a wide range of styles, from Baroque and Classical eras to film, folk, jazz and Latin American. The series encourages ensemble playing with varied repertoire and develops instrument-related aural skills, improvisation and composition. Included are scales and arpeggios and a CD comprising of over 70 backing tracks to make every student feel like a star performer. Team Strings is available for Violin, Viola, Cello and Double Bass all of which are compatible. There is also a separate book of Piano Accompaniments/Score. All of the books in the series are fully integrated allowing students using Team Strings to play in ensembles with students using Team Brass and Team Woodwind.
