

Inside the Godfather: Never Before Told Stories of James Brown by His Inner Circle

If you think that you know the soul truth about James Brown, think again! Inside the Godfather is a history changing book about DRUGS, SEX, LIES, ADULTERY, RACISM, MURDER, RELIGION, POLITICS, DECEIT, LUST, Rock & Roll and BRIBERY but most importantly, we will set the record straight about James Brown, The Godfather of Soul! James Brown, The Godfather of Soul may be the most misunderstood man in the last century. Confusion emerges as a consequence of the complexities in his life. His contributions toward modern music pale in comparison to the indispensable role he played in modern history. Brown lifted all races toward the ideals of equality and opportunity. Tragically, while he had the ability to calm the storms of social turmoil - his personal life was a perpetual tempest; sex, drugs, rhythm & blues. Inside the Godfather brings together, for the first time, those from Browns inner circle. They will correct the distortions of the past and provide for the reader a clear understanding of the brilliance and generosity that was James Brown, Mr. Dynamite. You will see inside the man. You will never be the same. Let us pull back the curtain. It is time to enjoy the show.
