

Light of the World (Simple Collections (Music))

From the beginning, the Father had a magnificent plan for the redemption of man. And on a still, starry night in Bethlehem, the Light of the world was born. This Light would pierce the darkness and bring hope to a hopeless world. Light of the World is the perfect seasonal celebration to spread the message of hope through these new Christmas favorites such as Let There Be Light, Shine On and Light of the World, along with some of the most beloved Christmas carols of the church, such as What Child is This?, Come, Thou Long-Expected Jesus and Angels, From the Realms of Glory. Whether you use the DVD accompaniment track or the fully orchestrated CD accompaniment track, we invite you to join the Christmas celebration with this easy-to-sing, easy-to-learn 20-minute Christmas musical designed for Unison or Two-Part Choirs with limited rehearsal time. We pray this Simple Series mini-musical will encourage your choir and congregation to be uplifted and challenged to take this message of hope into your community and spread the Gospel message as a light into the world.
