

Jack Fritschers American Men: More Photos from the Bear Cult

JACK FRITSCHERS AMERICAN MEN (55 PHOTOGRAPHS OF MASCULINE MEN FOR LADIES AND GENTLEMEN WHO PREFER MEN MASCULINE). The ultimate, beautiful, masculine-identified coffee-table photo book you'll want to keep under your bed. This is respectable art that has been known to provoke orgasm! 59 black-and-white photographs shot by Jack Fritscher. Fritscher shoots hot men! Bears! Bodybuilders! Cowboys! Truckers! Young cops! Nudity, of course! YES! 4-Star reviews. Introduction by the prestigious British critic who brought you, from BRUSH CREEK MEDIA, the best-selling THE BEAR CULT photo book: Edward Lucie-Smith, the author of more than 30 books of art criticism, including: SEXUALITY IN WESTERN ART (1972 & 1971), ART TODAY (1996), and ARS EROTICA (1997). Includes naked full-page photographs of the real Mr America Chris Duffy/Sunset Bull, The Blake Twins, My Nephew/My Lover, Redneck Cowboy, Cowboy Bunkhouse Cigar, plus some artful bondage as well as smiling real men. NOTE: THIS IS A COMPLETELY DIFFERENT KIND OF MALE ART COFFEE-TABLE PHOTOGRAPHY BOOK, BECAUSE THERE ARE NO PICTURES OF MOUSSE-AND-CLONE GIRLYMAN MODELS LEANING IN SHADOWS HOLDING HULA-HOOPS. Each photograph is titled and thus contains its own kind of short-story. The photos actually relate to Fritschers many published books of fiction! So wonderfully hot, it had to be published in London.
