

Peel It. Design It. Tropical Paradise 2012 Calendar

A growing new trend in decorating, wall art decals make a room pop with their fun, artistic designs and cool colors. They are long-lasting, but peel right off when you're ready to change things up. They are a simple way to add life and energy to a home. Peel It. Design It. Wall Art Calendar: Tropical Paradise combines five pages of rich, vibrantly hued vinyl wall decals with a die-cut unbound calendar. Its imaginatively rendered flowers, fronds, and butterflies by celebrated illustrator and designer Daniel Pelavin promise to give any room the feel of a lush escape. Inspiration and sample layouts are included, but go wherever your imagination takes you.
